

Financing of strategic growth

The Schlaadt-Unternehmensgruppe (group of companies)

has assigned HANSE Consulting M&A to acquire finance means for a strategic motivated growth.

Background of this assignment was the wish of the owners to strengthen the Schlaadt group of companies by additional finance power to set up new production sites and to implement the development of innovative products.

This finance partner was successfully found with the small and medium-sized business oriented Bayerischen Beteiligungsgesellschaft mbH (www.BayBG.de).

Scope:

HANSE Consulting M&A has exclusively provided the following services:

- compilation of a growth-oriented business plan
- structured search and address of investors
- organisation of due diligence
- supervision of the complete structuring of transactions
